July 4th Celebration will include Sunday School at 9 AM followed by our Worship Service at 10 AM in the Sanctuary, Communion, and a concert by Elizabeth Montgomery. Elizabeth performed for us a few years ago and was very well received. She has a beautiful voice and gives a delightful performance.

Following our Worship Service we will move to the Koy-Norcross Fellowship Hall for an inside picnic with hot dogs, chili and all the trimmings provided. Please bring a side salad, baked beans, chips, or a dessert. Remember it is tradition to have apple pie and ice cream for 4th of July but we will enjoy all desserts. This should be a fun day with plenty of worship, food, and fellowship. Come and join in the activities

Collecting for Food Pantry We have just delivered another basket, actually a basket and numerous plastic bags, full of food to the Sealy Food Pantry. They are very appreciative of the fact that Sealy First United Methodist Church continues to make food donations to the Food Pantry. We thank everyone who has helped fill up the donation basket in the Greeting Center. Please continue making food donations for this worthy cause.
