Station Assistants: You will be responsible the activity for that specific location during the morning each day. The script & supplies are provided for you. We need leaders for Science and Mission

Crafts: Our craft station will be a fun filled area of reinforcing the day's Bible story through a craft project. All supplies will be grouped for the day, some prep may be required, ie sorting for each age group. Your task will be to explain/demonstrate the craft and tie it into the lesson from the day.

Snacks: You will be the hopping spot to catch a bite to eat. Your team may do minimal prep work, but the bulk of prep will be done in the kitchen ahead of time.

Games: Your role will be to work with a team of leaders to set up the games each morning and explain the games to each rotation of students. This will be OUTSIDE.

Group Leaders: Your role is to lead your group from station to station each day of VBS, encourage participation at each station and participate in activities as a leader as well. Groups consist of 10+ kids in age specific groups, grades Pre-K through 4th.

Registration /Volunteer Check-in: Every day there is a need to have assistance with registration and check-in in the Sanctuary, especially Monday and Tuesday. Your role will be helping with new registrations, volunteer check-in, and directing people where they need to be.
