

# Easter Eggstravaganza

Sunday, April 10 at 1 pm at Sealy's BP&W Park

Dear Community Friend:

We're back for another year of egg-citing fun with our 11th Annual Easter Eggstravaganza ... and we'd love to have your support!

FREE for all kids, this day of fun happens Palm Sunday, April 10, in the heart of Sealy, at the BP&W Park (on our Little League fields). Over the years, this event has become a beloved tradition for our community.

On the first Palm Sunday, Jesus entered Jerusalem to the joyous shouts of children and adults ... and this special day revives those shouts and celebrates his resurrection and our rebirth. On this day we untie again! So, we ask you to consider contributing to this special event that brings so much joy to our children ... and comradery among our adults. This day is solely underwritten through sponsorships, donations and the efforts of hundreds of volunteers of all ages from around our community.

Ways you can join us and support the celebration of Easter for kids and their families:

- \*Sponsor the event (see sponsorship form)
- \*Provide a prize item
- \*Recognize the event in your place of business
- \*Attend the event and bring the children in your family

Thank you again and God Bless!

Sincerely,  
Pastor Mike Fraley
